Dear Sir,

Amendment to Module PD (Public Disclosure)

As a result, the CBB is issuing today the final version of Module PD and Appendices after taking into consideration banks' feedback. All Bahraini conventional bank licensees must comply with these additional disclosures effective from 30th June 2015 results. The amendments to Module PD will be incorporated into Rulebook Volume 1 in the July 2015 Rulebook update

The amended Module PD and related Appendices are available on the CBB website (www.cbb.gov.bh) under the 'finalised consultations' section.

All material feedback comments on these consultation papers are being published on the CBB website under 'finalised consultations'.

Thank you for your continued cooperation.

Yours faithfully,
