Dear Sir/Madam,

Re: Brokerage Fees in Bahrain

As a part of its ongoing efforts to further develop the regulatory requirements of money brokerage activities in Bahrain, the CBB would like to invite all industry participants to review the Circular dated 3rd March 2001(Ref: BC/2/2001), a copy of which is attached, regarding the scale of Brokerage Fees in Bahrain, and to provide your comments to the current scale of brokerage rates and transactions classification.

Your comments will be reviewed and considered in drafting a new brokerage fees standard. Kindly submit your comments electronically to the CBB's Regulatory Policy Unit, email: consultation@cbb.gov.bh, on a date not later than 28th February 2018.

Yours faithfully,

Abdul Rahman Al Baker
