Manama
Kingdom of Bahrain

Dear Sir/ Madam,

Consultation: National Risk Management Framework for Information Security

The National Cyber Security Center (NCSC) is aiming to improve and enhance the cybersecurity controls of public and private entities in the Kingdom of Bahrain at the national level by introducing a National Risk Management Framework for Information Security¹. Financial Services sector is one of the seven sectors of the Critical National Infrastructure (CNI).

Accordingly, all CBB licensees are requested to provide their comments, including “nil comments” on the draft National Risk Management Framework in an editable format to cyberpolicy@ncsc.gov.bh copying consultation@cbb.gov.bh by 29th June 2023.

The draft framework shall be available on the CBB website (www.cbb.gov.bh) under the “Open Consultations” Section.

Yours faithfully,

Rasheed M. Al-Maraj
Governor
