Dear Sir/Madam,

<u>Directive</u> <u>Automatic Exchange of Information ("AEOI") - Common Reporting Standard ("CRS")</u> and Foreign Account Tax Compliance Act ("FATCA") Reporting Window

Reference is made to all Central Bank of Bahrain's ("CBB") Directives related to the Automatic Exchange of Information for Tax Purposes ("AEOI"), with respect to the Common Reporting Standards ("CRS") and the Foreign Account Tax Compliance Act ("FATCA").

The CBB is pleased to hereby announce that the CRS and FATCA reporting for the year ended 31st December 2023 will commence on the <u>25th of March 2024</u> through the EOI portal: (https://ities.nbr.gov.bh/).

Therefore, the CBB requests all Reporting Financial Institution's ("RFI") to submit their final CRS and FATCA reports by 2^{nd} of May 2024.

RFIs are reminded that they are responsible for the accuracy and completeness of the reportable information.

With respect to CRS reporting, RFIs are responsible to comply with the requirements stipulated in the Standards for Automatic Exchange of Financial Account Information in Tax Matters ("the Standards"), its commentaries and other related Directives. For guidance relating to compliance with CRS, please refer to the aforementioned Standards. The Standards are available in the following link:

http://www.oecd.org/tax/exchange-of-tax-information/standard-for-automatic-exchange-of-financial-account-information-in-tax-matters-second-edition-9789264267992-en.htm

With respect to FATCA reporting, RFIs are responsible to comply with the requirements stipulated in the Intergovernmental Agreement ("IGA") signed between the Kingdom of Bahrain and the United States of America, its Annexures and other related Directives. For guidance relating to compliance with FATCA, please refer to the IGA. The IGA is available in the following link:

Moreover, Table 1 of this Directive provides the list of Reportable Jurisdictions for the purpose of <u>CRS reporting</u> for the year ended 31st December 2023. Please note that the CBB will circulate an updated list of reportable jurisdictions on an annual basis with the announcement of the commencement of the reporting window.

In addition, Table 2 of this Directive provides the list of Participating Jurisdictions for the purpose of CRS due diligence procedures to be carried out from 1st of January 2023. This list is relevant for determining the due diligence procedures for an account when the account is held by a specific category of Investment Entity when the Investment Entity is resident in a non-participating jurisdiction. A Bahraini RFI that opens an account for a professionally managed Investment Entity located in a jurisdiction that is not listed in Table 2 must carry out due diligence that identifies the Controlling Persons of the Entity and determine their tax residency. Please note that the CBB will circulate an updated list of participating jurisdictions on an annual basis with the announcement of the commencement of the reporting window.

Failure to comply with any of the requirements of this directive may result in the CBB imposing enforcement action against the licensee, including date sensitive penalties with respect to reporting deadlines.
