| Reference Area                         | Bahrain                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |             |        |          |             |
| Residency                              | <ul style="list-style-type: none"><li>• For many entries on the returns, it is necessary to classify customers or counter-parties as “residents” or “non-residents” of Bahrain. Residents are entities that are physically located in Bahrain, whether or not associated with an institution that is located outside Bahrain, and irrespective of nationality of the underlying ownership. Conversely, non-residents are entities located outside Bahrain, whether or not owned--wholly or in part--by entities inside Bahrain. With regard to individuals, persons who are long-term residents, or have their “economic center of interest” in Bahrain are to be classified as residents, irrespective of nationality.</li><li>• Assets and Liabilities of the reporting bank are to be broken down by the “bank” or “non-bank” character of the counter-party, the country of its residence and currency.</li><li>•In the BOP and IIP, only retail banks and locally incorporated wholesale banks licensed by the CBB are treated as residents.</li></ul> |             |        |          |             |
| Sector Coverage                        | General Government (includes Central Government and Social Insurance), Central Bank, banks, other sectors (other financial and nonfinancial corporations).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |             |        |          |             |

Integrity                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Responsibility for collecting, processing, and disseminating statistics | The Macro-Prudential & Economic Research Directorate has the ability to gather information based on the power of the Central Bank to collect information given in articles (111), (112), and (113) of the CBB Law. The Statistical Research Division in the Macro-Prudential & Economic Research Directorate (MPERD) is responsible for collecting and compiling the monthly statistical returns to generate the financial and monetary statistics. Some data is collected from other internal directorates and external entities. However, other employees have no access to the data prior to publication. In case of any technical issues, technical support by the Information Technology Directorate is provided. |
| Confidentiality of individual reporters' data                           | According to the CBB, the data is published for statistical purposes on an aggregate level and personal and private information of any licensed institution or private body shall not be disclosed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Impartiality of statistics                                              | The data reflected in the tables is obtained from related internal directorates within the CBB and other reliable and credible independent entities and are checked in coordination for necessary amendments.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Data Sources                                                            | Central Bank of Bahrain (CBB), Ministry of Finance and National Economy (MOFNE), Bahrain Bourse, Information and e-Government Authority (IGA).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Commenting on erroneous interpretation and misuse of statistics         | The CBB issues a press release that highlights important information in a way to avoid misinterpretation. However, in case of misinterpretation or misuse of data, the CBB responds on a case by case basis by addressing each incident with corrected data and interpretation.                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| IV. Quality                                                             | The data is explained in this metadata Section. All statistics in the same data set are consistent internally. Methodological Soundness is highly valued and the overall structure of data is internationally comparable.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

1/ أسعار الفائدة مشتقة من استمارات مصارف قطاع التجزئة التقليدية. ويحي المسح بأسعار الفائدة على الودائع والقروض خلال آخر الشهر.

2/ يشمل القروض الممنوحة للقطاع المالي (غير المصرفي) وشركات الخدمات الأخرى.

3/ لا يشمل السحب على المكشوف.

4/ يشمل القروض الشخصية الأخرى.

1/ Weighted average rates derived from Conventional Retail Banks returns. The present survey asks for deposit rates offered, and loan rates charged on loans extended during the month.

2/ Includes loans to non-banks financial and other services' companies.

3/ Does not includes overdraft approvals.

4/ Includes other types of personal loans not shown separately.
